Message from Mrs Hogg

Dear Parents,
Welcome back. It has been a great start to the summer term, with the children happy and working hard. I am looking forward to all the events this term including the re-development of part of the grounds, using the money from the fire last year.

We are having a big investment in our school library. £4,000 of new books have been ordered and the children will be able to borrow them from next week. Please help us to look after them, and if you have any outstanding library books at home, please do return them.

If you have any suggestions/concerns, as always please do contact me.

Best Efforts

Puffins will be sharing their learning with Parrots class on Friday 4th May (at 9:10am).

Stand up to cancer bake sale

On Friday 4th May Mrs Kendall will be selling cakes in support of this charity from 3-4pm. Please come along and help raise as much money as possible for this great cause.

Baby News!

Congratulations to Mrs Khan on the safe arrival of her baby daughter, Habib, who was born on the 4th April.

Nursery

From September our Nursery will be offering 30 hours a week (morning and afternoon sessions). An eligibility code will need to be provided by parents to access the full 30 hours. If you are not eligible the extra 15 hours will still be available at a cost (along with lunch club). For more details please see the office.

Uniform

Our new online uniform ordering system is now up and running. This is run directly by our uniform suppliers. Please bear with them as it's a brand new system so there may be a few teething problems.

Please still check with the office if we have stock of what you are wanting to order as we are running down our supplies (and some of the items are a bit cheaper as we ordered them before the company's recent price increase).

Once the company receive an order it will be bagged and labelled and dropped in to the school office the next Friday.
